Remarks

Take me home, country roads... Tucked away off the beaten path, this quiet and serene neighborhood sets the stage for easy, comfortable living in this charming 3-bedroom, 1.5-bath ranch. Step inside to find a beautifully updated kitchen featuring brand-new stainless steel appliances. Solid hardwood floors flow throughout the home. Cozy up by one of two fireplaces, perfect for relaxing evenings in any season. The lower-level recreation area is built for fun, showcasing a colossal bar with plenty of space to add friendly competition—think game nights, gatherings, and unforgettable memories—plus a walk-out man door for added convenience. Outside, you'll love the large barn-style garage with a second floor, ideal for a car enthusiast, hobbyist, or workshop setup. Peaceful surroundings, versatile spaces, and country charm combine to make this home a true retreat—yet still within reach of everyday conveniences.
